← Don't forget to check out my personal website at www.justinharter.com and check out what I'm up to. Or, visit my company website at www.justifystudios.com.

← This was a lot of fun and my first job ever. I started while I was in High School and left after two years to pursue my Bachelor's Degree in Indianapolis.

← I'm also a freelance writer and correspondent for *The Salem Leader*.

← As you can see from my resume, I'm still working on my B.S. in Media Arts and Science at IUPUI.
